

RETAIL HERO'S QUICK TENDER

www.RetailHero.com/QuickTender

Easy to set up

Efficient Tendering

Tender as a cash transaction by pushing the button of the used bill.

The screenshot shows the 'Store Operations POS' window with a 'QuickTender Administrator' dialog box open. The dialog box has an 'Application Settings' section with the following options, all of which are checked:

- Enable Remote Support button
- Enable \$1.00 Button
- Enable \$5.00 Button
- Enable \$10.00 Button
- Enable \$20.00 Button
- Enable \$50.00 Button
- Enable \$100.00 Button

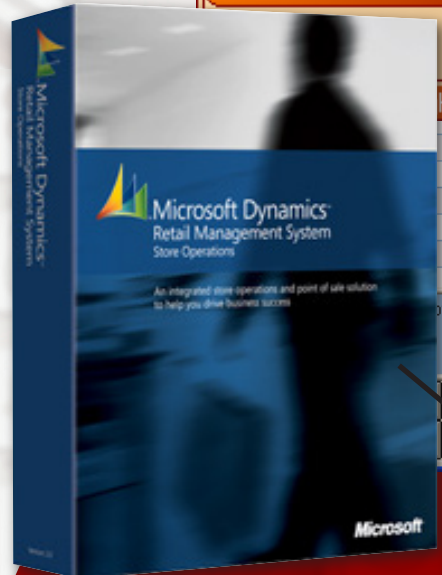

The main POS window displays a transaction with the following items:

Quantity	Price	Extended	Tax	Rep
1	\$5.99	\$5.99	<input checked="" type="checkbox"/>	
	\$29.99	\$29.99	<input checked="" type="checkbox"/>	
1	\$24.99	\$24.99	<input checked="" type="checkbox"/>	

At the bottom of the POS window, the totals are displayed:

Total	Sales Tax	Total
\$60.97	\$7.93	\$68.90

On the right side of the POS window, there is a 'Points and Transaction' section and a vertical stack of bill buttons: \$1.00, \$5.00, \$10.00, \$20.00, \$50.00, and \$100.00. A 'Retail Hero's Online Help' button is also visible.

Integrates seamlessly with your current Microsoft Dynamics RMS set-up

How it works

QuickTender for Dynamics RMS is an interface enhancement that adds buttons with cash values assigned to them on the right-hand side of your RMS screen. Simply push the button with the correct bill on it, and they system tenders the purchase as a cash transaction of that dollar value.

Typical Customers:

- Corner shops and grocery stores: Process single-bill payment for a set of items rapidly

The Retail Hero mascot is a cartoon character with a large, friendly smile, wearing a grey suit and a yellow tie. It is standing on a green patch of grass.

RETAIL HERO'S QUICK TENDER

About Quick Tender

Built well:

- Supports any currency
- .NET-based, compatible with Windows XP, Windows Vista, Windows 7
- Compatible with RMS versions 1.2 and higher
- Optimized for point and click or touch-screen operation

Quick Tender is a replacement for:

- Using multiple keys and the number pad to punch in single-bill transactions

Benefits are:

- Faster transaction processing
- Accessible and very easy to operate
- Big cash register-style tender buttons
- Works with any currency
- Visual interface
- Easy to install and configure

About Retail Hero™

A developer of add-on software solutions for Dynamics RMS since 2004, Retail Hero is a Microsoft Gold Certified Partner. Our add-on solutions enable retailers to perform a variety of additional functions with seamless connectivity to Dynamics RMS. Our add-on solutions include:
